Morning Class Make up Day: As a courtesy to the morning students we will be having a make up day on Friday, June 5th from 8:45am-12:00pm. This is for morning and full day students only. This is a courtesy to make up for the 5 half days that were late starts due to snow. We do follow Edmonds School District's snow policy, and they do not offer make up days missed for late start for Kindergarten or Head Start/EDCAP preschool. There were however 5 days that we started late (per Edmonds Snow policy) and we do feel that this is unfortunate and want to provide some sort of compensation to those students who missed those days due to the unfortunate in-climate weather. We hope this will be a benefit to those students.

Details: Friday June 5, 2009
