The morning is a make up day for all students from 8:45-12:00pm, please have them bring lunches so they can eat before the celebration. We look forward to seeing you there.

### Field Trip

The last field trip of the year, has been a little difficult to arrange with all our wonderful providers of field trips. We apologize for the mix up, the Fish Hatchery double booked us a couple times. We are EXCITED to have the fire station here on Tuesday, June 7th and Wednesday June 8th. We will learn about fire safety and get a truck in our own backyard. **Due to safety issues with the station, we can only have students attend.**

### Parting Words

Thank you so much for the wonderful opportunity to teach and enrich your child's life for the last school year. We have thoroughly enjoyed every one of the children and their unique and beautiful personalities. We are thankful to all of you for entrusting them to our caring hands. We look forward to next year. We want to extend to all of those children graduating and leaving to attend other schools, please come back and visit. We always love to see former students. It is a great joy to see them grow and become part of the world around us. As always if you ever need anything please do not hesitate to call or email us.

A big thank you to Miss Gina, Miss Cindy and Miss Megan for all their hard work and dedication to the school. Thank you so much to Tins Raghu and Heidi DeBoer for your hard work as room parents. And to all the parents who volunteered to drive, read and just help out, we cannot make this school work without you!

Thanks for the great year!
